To Whom It May Concern

RE: Potential Grantors of Read2Win

On behalf of the Fort Worth Independent School District, it is with great pleasure to recommend the Read2Win program. The Read2Win Program has positively impacted our students, schools, communities and volunteers with great results for over six years. Read2Win program has grown to 700 volunteers in approximately 40 FWISD Elementary schools.

The Read2Win program was one of the first comprehensive initiatives in our city to engage our citizenry as volunteers so that our business leaders would be able to hire career ready students and a literate workforce.

Should you have any questions or concerns, please feel free to contact me at 817-814-1900.

Sincerely,
